PROFESSIONAL LEGAL EMPLOYMENT HISTORY

Ambrose Law Office
Present: Relocated to Asia. Does online legal research and writing for law firms in the United States.

Handled all aspects of litigation (simple to complex): initial case evaluation/opening file, motion practice, discovery, arbitrations, trials and appeals, in both State and Federal courts. Represented 100's of closely-held corporations as "of-council."

Additional skills include:

- Exceptional ability to screen clients/cases and evaluate its value and likelihood of success.
- Routinely handle heavy caseload without supervision.
- Law Office Management skills: Ability to train and supervise attorneys and litigation support staff.
- Aggressive, tough, no-nonsense approach to litigation, operating within ethical guidelines.
- Maintains a proactive and results-oriented approach, enhancing firm's profitability and reputation.
- Excellent communication skills. Able to build rapport with clients, juries, judges and opposing counsel.
- Secretarial independent with exceptional legal research, computer, software and Internet skills.

JURY TRIAL CONSULTING: Extensive experience and advanced training in all aspects of the art and science of courtroom communication, including *voir dire*, jury focus groups, jury questionnaires, case theme development, witness preparation, trial graphics and courtroom strategy (*See* www.AmbroseLawFirm.com for details).
